The artist Tamu Nkiwane goes on journeys to other countries. He makes poems, drawings, sculptures and films about his travels.

WRITE A POEM:

Can you write your own poem inspired by your journey around the art gallery? You might be inspired by the artwork, the people you see, the building or the sounds.

CREATE YOUR OWN TREASURES:

The artwork Tamu Nkiwane makes is like treasures, can you travel round the gallery and turn what you find into an artwork or treasure?

You can use the gold pen to draw your artwork in **GOLD**.

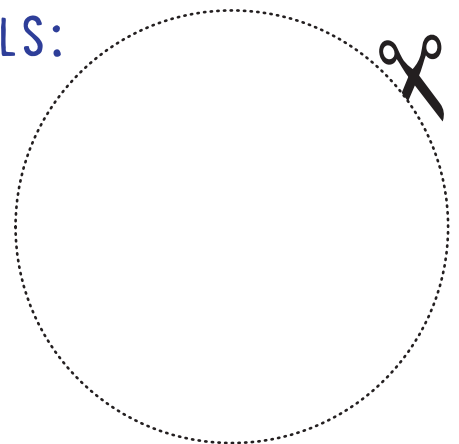

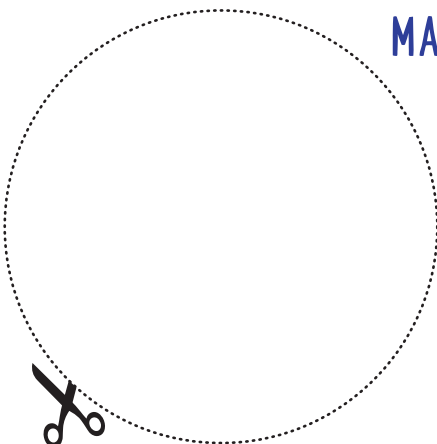

You can use the magnifying glass to make something you find that's really SMALL into something really

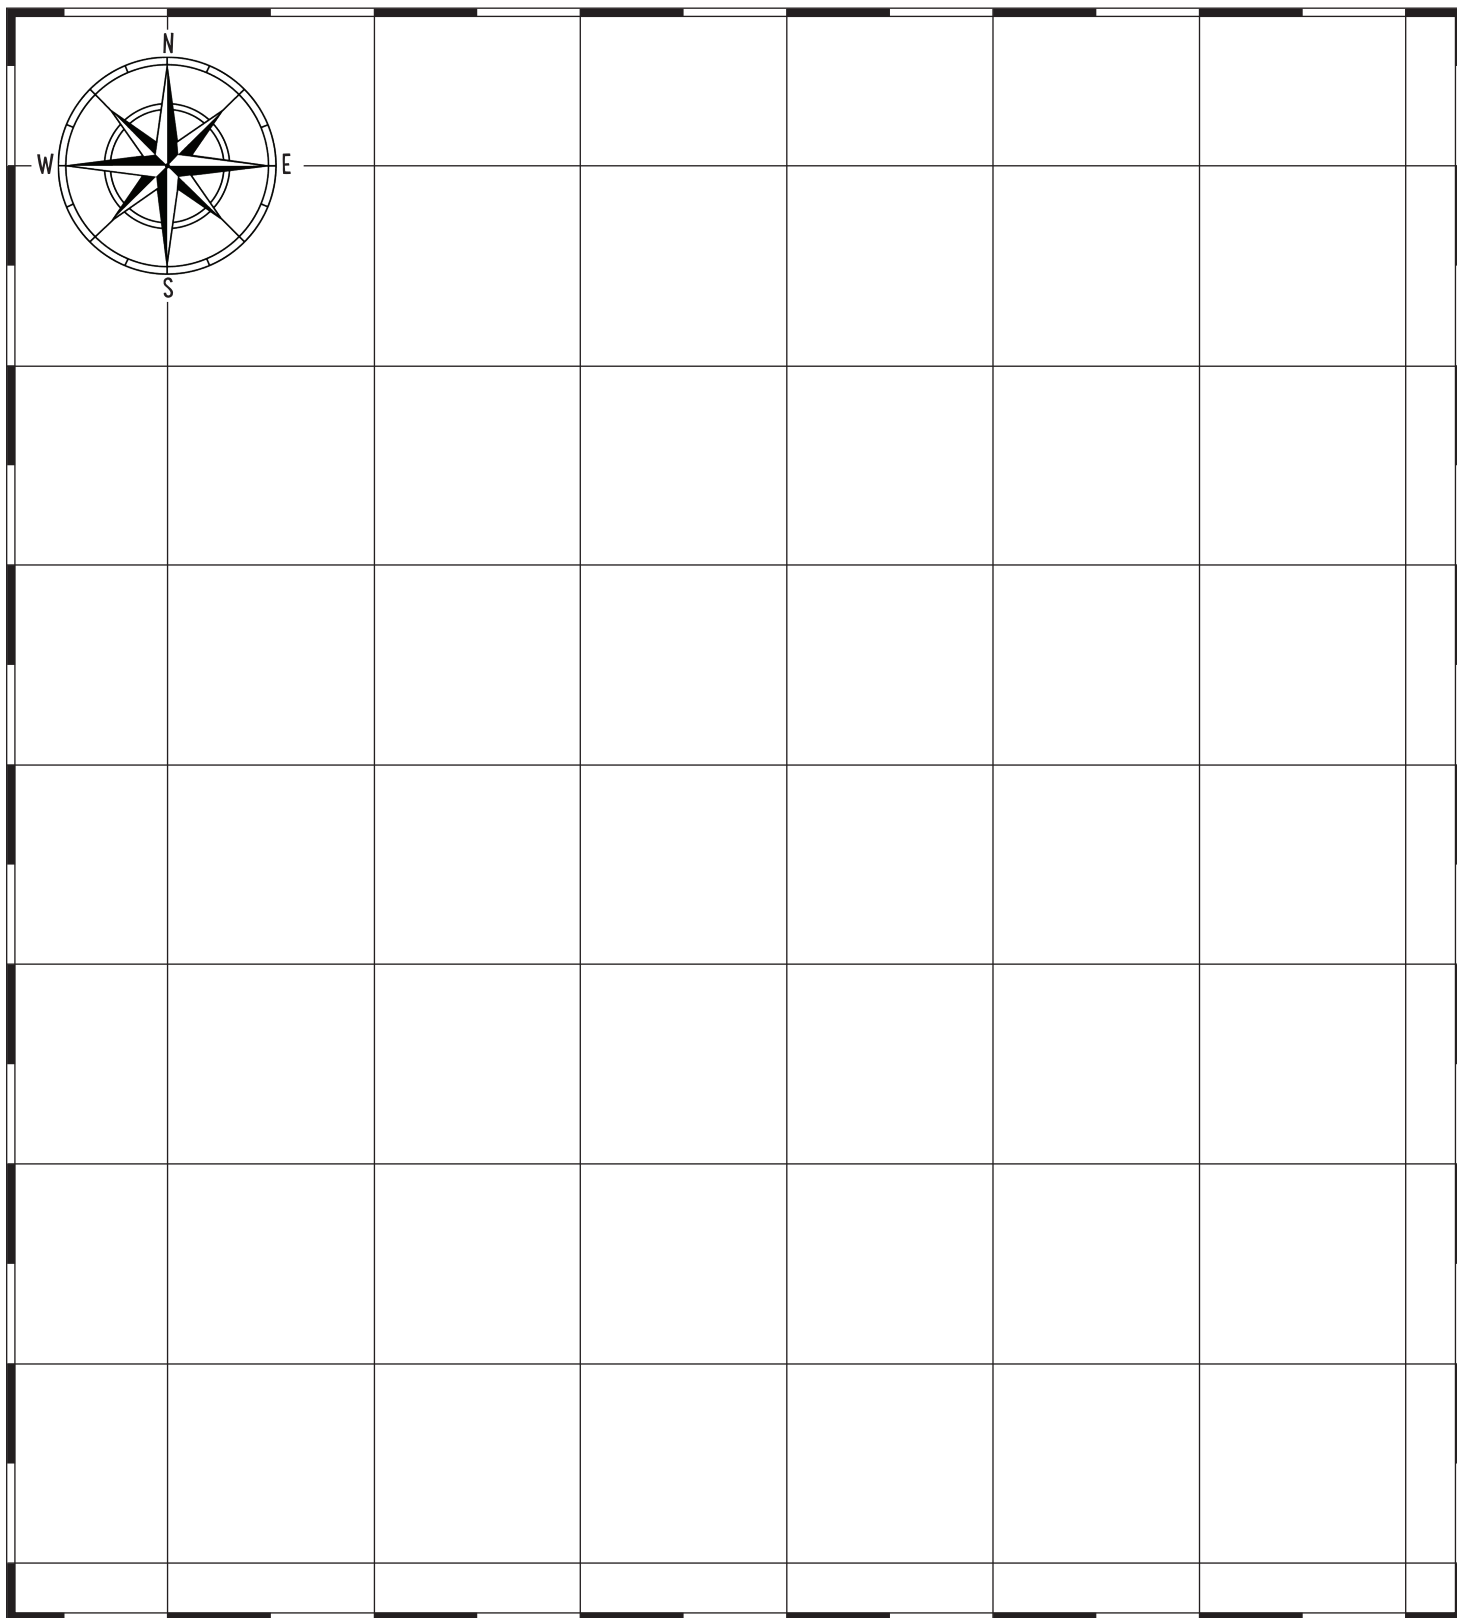

big.

MAKE A BADGE OF YOUR TRAVELS:

You can draw in this circle and cut it out to make a badge that you can wear home. You could draw your favourite artwork or make a picture of something fun that you see in the gallery.

TREASURE MAP

Can you draw your own map of
your journey around the gallery?
You can use the dice to help you
travel round, simply roll it
and do what it says.
The compass can help you to know
which direction to find
the artworks and treasures.
